

Supplies

Brewing

- ☐ a 20 qt. brew pot (large canning pot)
- ☐ large stirring spoon (non-wood)
- ☐ measuring cup (preferably Pyrex glass)
- ☐ glass jar (at least 12 oz)
- ☐ fermentor (food-grade plastic bucket or glass carboy)
- ☐ airlock (get from homebrew shop)
- ☐ blowoff hose if carboy
- ☐ cleaner (PBW) & cleaning brush
- ☐ sanitizer (chlorine bleach or other)
- ☐ Grain bag
- ☐ String
- ☐ Measuring Spoons
- ☐ paper towels
- ☐ trash bag
- ☐ OPTIONAL - scale
- ☐ OPTIONAL - scissors
- ☐ OPTIONAL - thermometer
- ☐ OPTIONAL - Ziplock bags
- ☐ OPTIONAL - long lighter

Bottling

- ☐ 48 (12-oz) bottles
- ☐ bottle brush (kitchen or household cleaning variety is OK)
- ☐ bottle capper (from homebrew shop)
- ☐ bottle caps (from homebrew shop)
- ☐ OPTIONAL (but helps) - bottling bucket (basically another fermentor bucket with a spigot and bottle filler attached)
- ☐ racking cane/siphon/bottle filler (from homebrew shop)
- ☐ Sugar (4-5 oz by weight)
